## REGIONAL DIRECTOR'S REPORT

The Indira Gandhi National Open University (IGNOU) Regional Centre Mumbai was established in January 2009, which is bifurcated from Pune region of Maharashtra. The purpose of a separate Regional Centre in Mumbai is to cater the higher education needs of Mumbai, Mumbai suburban, Thane, Palghar, Raighad and Ratnagiri districts of Maharashtra and to provide better student support services to the growing enrolment in Konkan region. Two significant aspects of IGNOU RC Mumbai are it includes greater Mumbai and Mumbai suburban where the population density is high. It covers about 25% of Maharashtra state total population in a limited land area of 30865 sq. km.

The gross enrollment (Fresh and Re-registrations) of Regional Centre Mumbai has increased from 8647 in 2010 to 11657 in 2019 and further increased to 12858 in 2020. The Regional Centre Mumbai has achieved 25% of growth during 2018-2020. A total of 12858 learners have registered with IGNOU RC Mumbai in the year 2020( of which 8442 are fresh learners and 4416 are re-registered learners)for different programmes at different academic programme level i.e certificate, diploma, bachelors and Master degree programmes

It is interesting to note that the share of fresh and young students in the total enrollment has been increasing significantly. The admission trends clearly indicates that the growing demand especially among the youth towards Open and Distance Learning (ODL). The disadvantaged sections SC, ST and OBC enrollment share in the total enrollment has also been increased due to the University policies i.e. fee exemption for SC/ST students in selected programmes.

The increasing trends of admissions have increased the responsibility of the Regional Centre to provide better student support services. Accordingly the Regional Centre is taking utmost care and measures for providing better student support services and working towards zero student grievances. Even in the COVID 19 pandemic time also the IGNOU has taken measures across the country not to disrupt the student support services. As per the directions and instructions of our Hon'ble Vice Chancellor all the IGNOU Regional Centres have initiated the online activities and support services through online. As a part of it Regional Centre Mumbai has initiated the following online support services during COVID 19 pandemic time for prospective learners of IGNOU and learners of IGNOU Regional Centre Mumbai

**The Regional Centre has initiated following online support services as pre admission support services to the prospective learners for taking admissions in IGNOU**

- a) **Creation of ATM tab in website:** The Regional Centre Mumbai created 'Ask to Me' tab in Regional Centre Mumbai website wherein the learners could ask the queries related to Fresh Admission which were answered within 03 working days. For July 2021 session, the Regional Centre answered 157 ATM queries
- b) **Preparation of Tutorial Video for Fresh Admission:** Regional Centre Mumbai prepared a tutorial video on 'How to take fresh admission' with demo and posted it on YouTube page of the Regional Centre Mumbai. The same is available in English, Hindi and Marathi languages at <https://www.youtube.com/watch?v=kqlAEvTQnWw&t=695s>
- c) **Organising online alumni meetings and disseminating admission information and other university updates:** Dissemination of information among the needy people is very important for popularizing and promoting any academic programmes/activities. IGNOU has always emphasized that our Alumni is our Brand Ambassadors, accordingly good number of online alumni meetings were organized to promote IGNOU in the masses.
- d) **Preparation of Programme Specific Videos:** Prepared short videos on different programmes and the same has uploaded in our YouTube channel for the benefit of prospective learners
- e) **Posting programme wise poster in FB:** The programme specific posters were prepared by the Regional Centre Mumbai and all were posted from time to time in Face book page extensively. About 50 posters of different programmes have been prepared and posted in Face book and twitter page of Regional Centre. These posters are having content of programme details, fees and support services, which is useful for the prospective learners
- f) **Online Admission Facilitating Day:** Regional Centre Mumbai made every Wednesday @ 03:00 PM as online Admission Facilitating Day through Google Meet wherein any prospective learner who had any query related to Fresh Admission could join this session and get his/ her query sorted. The Regional Centre has contacted 15 such sessions and attended by good number of prospective learners.

- g) **Regular online meetings with Prospective learners:** The Regional Centre was in regular touch with the applicants who had registered in online portal however not completed their application. The information was being sent through email and SMS and meetings with such learners were also conducted to sort out the queries.
- h) A Google form titled as “**IGNOU ODL Admission Discussion Forum**” created and sent to all the current active learners of RC Mumbai to circulate the same among their colleagues, family, friend etc. The prospective learners register through this form was contacted by the RC staff through phones within 24 hours and provided required information about IGNOU admissions.
- i) **Online Meetings with Study Centres:** The Regional Centre has conducted meetings with Coordinators and other part time functionaries of Study Centre number of times during admission session to take the feedback, ideas and suggestions for promoting admission. In addition to regular meetings with LSCs special fortnight Meetings with the Coordinators were conducted for discussions on progress of providing online support services to prospective learners of IGNOU through different online medium
- j) **Online Meetings with Academic Counsellors:** The Regional Centre was in regular touch with the Academic Counsellors through Whatsapp Group, Emails and Online meetings to provide latest updates about new programmes, admission cycle and other also to take suggestion regarding online promotional activities. The Academic Counsellors were requested to disseminate the information about IGNOU Programmes and admission cycle among their academic circles and among prospective learners.
- k) **Extensive use of Social Media:** As on date Regional Centre Mumbai has its presence at social media Facebook, Twitter and YouTube. The Facebook page of Regional Centre has 8644 followers, twitter page has 1898 followers and YouTube has 3280 subscribers. Regional Centre Mumbai used these social media platforms extensively in order to disseminate the information for fresh admission among the general population and particularly to the existing learners.

#### **Student support services (online/offline) in post admission to the learners:**

- 1) **Online Induction Meeting:** The induction meetings for the freshly admitted learners could not be organized in face to face mode due to COVID 19 pandemic. In this critical situation the Regional Centre Mumbai has decided to conduct the

induction meeting through ICT platform. The meetings were organized in phased manner for different programmes on different dates. The learners were all informed through email and SMS to attend the online Induction meeting.

- 2) **Special Sessions for learners with Schools:** During the lockdown period the contact of the learners with study centres and the academic counselors was slightly lost as all the institutions under lockdown as per the directions of Government of India. To facilitate the learners and have contact with academic counselors ,the Regional Centre Mumbai has sent the contact details of all the academic counselors programme wise/ course wise to all active learners. Further, the Regional Centre Mumbai has contacted the School faculty at IGNOU, New Delhi and organized special sessions for the programmes which are having project work/internship/high enrollment numbers
  
- 3) **Online Assignment Submission:** The nationwide lockdown was imposed by the Government in the last week of March 2020. The learners were supposed to submit their assignments for TEE June 2020 in the month of March2020 but the dates got extended in view of COVID 19. Since, the study centres/ post offices were closed the IGNOU authorities had decided to accept handwritten scanned copies of assignments through email. However, in order to make the submission of assignments easy for the learners the Regional Centre, Mumbai has received assignments through Google Form. The submission of assignments through Google form had below advantages which was not available through email
  - 1) E receipt for submission of assignments was automatically sent to the learners by Google form thus there was no issue for acknowledgement of assignment submission
  - 2) This method helped the learners to write all necessary details which were required by the Regional Centres for evaluation
  - 3) Course wise Segregation of assignments was very easy through Google form
  - 4) The assignments were forwarded to the evaluators through a link (unique for every file submitted) which made it easy for the evaluators to evaluate the assignments.
  - 5) This method also helped to remove the duplicate assignments submitted by the learners

For June 2020 Term End Exams about **27633** assignments have been received by the Regional Centre Mumbai and with the help of Google forms all the assignments were segregated and sent to the academic counselors for evaluation. It is pertinent to note that this innovative method of using Google forms for collecting assignments was also

appreciated by the Director, Regional Services Division (RSD) and advised other RCs also adopt such type of innovative approaches for providing support services.

- 4) **Online Synopsis Submission:** As assignments the project synopsis for MAPC, MCA, MAEDU, PGDEMA, BCA programmes also received through Google forms.
- 5) **Online counselling sessions:** Due to Covid-19 pandemic counseling session for different programmes were conducted through online mode by using Google Meet, Zoom and Facebook platform. Semester based programmes and high enrolled programmes were given priority for conducting online counseling sessions. The concerned study centre has prepared counseling schedule and send to the Regional Centre for approval. After getting the approval from the Regional Centre the counseling schedules have been uploaded on the Regional Centre Website, posted in Facebook and informed to the students through email. There was a good response from the student from the programme like Master of Arts in Psychology (MAPC), Bachelor of Science in Nursing (BSCN), Diploma in Nutrition and Health Education (DNHE), Bachelor of Computer Applications (BCA), Master of Computer Applications (MCA), Master of Science in Dietetics and Food Service Management (MSCDFSM), and Post Graduate Diploma in Food Safety and Quality Management (PGDFSQM) for attending online counselling sessions.
- 6) **Webinars organized for the benefit of students:** The Regional Centre use to organize lectures/meetings/activities during important occasions to the learners, LSC staff and RC staff. With the same tendency the Regional Centre has organized good number of webinars on different topics during lockdown period. The topics selected for webinars are relevant and invited subject experts as resource persons. There was a good response from the students and received positive feedback.

- 7) **Frequently Asked Questions (FAQ):** For the benefit of students during lockdown period, regional centre has prepared Frequently Asked Questions on admissions, induction, counseling, assignments, project, practical, term end exams and other important academic activities pertaining to the studies in IGNOU. The same has been uploaded in the Regional Centre website and the link was sent to the students through email/posted in social media for extensive usage and meet the purpose
- 8) **Online grievance redressal drive:** Regional Centre Mumbai has initiated an online grievance redressal drive titled as "*E-Shiksha Ki Baat, Regional Director KeSaath*"(speak with your Regional Director) every Friday @ 11:00 am through google meet. The link has uploaded in RC Mumbai website and every Friday 50 students on average attend this drive.
- 9) **Student queries through email:** in addition to online grievance meetings, student queries also answered through email on an average 150-200 mails received in a day.
- 10) **Student queries through phone Call:** dedicated staff has been appointed to answer the phone calls at enquiry counter of RC. Presently two numbers are active such as 27489764 and 27455094 about 40-50 calls are answered in a day.
- 11) **Student grievance through letters:** though the usage of technology increased, students use to submit their queries through postal letter and for July 2021 cycle RC received 360 letters related to student queries and all the queries solved

12) **IGNOU Grievance Redress and Management (IGRAM):** Students use to submit their queries through IGRAM, RC use to make every day ZERO queries by answering all the IGRAM queries on priority basis. On an average every day 35 grievances receiving by this RC Mumbai through IGRAM

13) **Posting important information in social media:** RC use to post all the important information, data, counselling schedules etc in to FB and twitter handle time to time. Recorded videos upload in the RC YouTube channel. It is pertinent to note that the followers of RC Mumbai social media have increased remarkably during lockdown period. At present RC is having 7800 followers for Facebook, 1567 followers for twitter handle and 2470 subscribers for YouTube channel
