Dear Learner,

A programme for practical's in Physics, Chemistry and Life Science is proposed to be held in May-2014. The details is as given on the reverse. To ensure proper arrangements, we need to know the exact number of learners attending a particular practical course.

You are therefore requested to fill up the accompanying Response Sheet and send it to us before 31th March 2014. You are also requested to take note on the following points.

1. You should attend the practical programme as per the choice indicated in the response sheet. You may remain absent only on the basis of a genuine and convincing reason by intimating well in advance.
2. Even if you are not planning to attend any of the laboratory courses this time, you are still requested to fill in the response sheet and send it for our records.
3. Your Response Sheets should reach us by 31.03.2014.
4. Outside students will have to make their own arrangements for travel, lodging and boarding.
5. If a student's remains absent for a practical course without prior intimation, it will be very difficult to accommodate him / her for the practical course in future.
