Talk on Gender Equity

On 16/5/2022

Seva Sadan's College of Education Study center 49050 conducted for B.Ed. IGNOU learners a "Talk on Gender Equity" in order to promote gender equity among learners. It also had an objective of creating awareness about gender sensitization activities among the learners, so that these can be organized in their respective schools.

Gender equity **ensures opportunities are not limited on the basis of gender**. It corrects for gender biases so that economic outcomes improve for everyone.

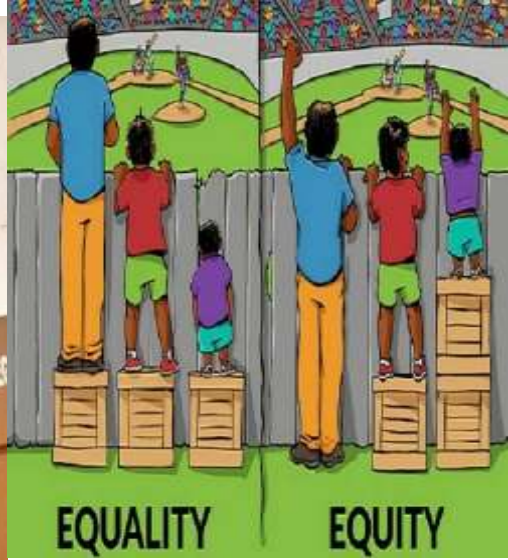

Gender Equity is **the Process of being fair to men and women**. To ensure fairness, measures must often be put in place to compensate for the historical and social disadvantages that prevent women and men from operating on a level playing field. Equity is a mean. Equality is the result.

During 12 days' workshop 1 and 2 of B.Ed, this talk was conducted on 16/5/22. In this activity the learners of January 2021 and January 2020 session presented the articles and essay titled on Gender Equity. The learners highlighted the meaning of gender equity and the way of achieving it .As well as fairness and justice regarding benefits and needs for women and men, girls and boys was emphasized by the speakers. Equity is used for example within the education, health and humanitarian sectors referring to **the equal distribution of resources based on the needs of different groups of people** was emphasized by one of the learner.

Some of the learners even presented posters depicting Gender Equity in various forms.
